## THOSE IN DARKNESS WILL SEE A GREAT LIGHT!

Light is such a powerful and beautiful energy this time of year. We notice how it is getting dark earlier and the hours of light are less and less. The contrast of light in the darkness is a very comforting sight.

While out driving around town at night during the middle of November, Sarah and I have already noticed a few homes with Christmas lights lit. It is a nice surprise to see a cheery display of colorful lights against the darkness.

Soon enough Washington Park will showcase a wonderful light display for the community. It is always a treat to drive through the park to appreciate those decorations.

Another great display of light is the super moon we are enjoying this time of year. Tuesday, December 13<sup>th</sup>, is the next super moon so make an effort to look for it and think about the light that has come to earth in Jesus.

*Isaiah 9:2 & 6*

*<sup>2</sup> The people who walk in darkness shall see a great Light—a Light that will shine on all those who live in the land of the shadow of death. . .*

*<sup>6</sup> For unto us a child is born; unto us a son is given; and the government shall be upon his shoulder. These will be his royal titles: "Wonderful," "Counselor," "The Mighty God," "The Everlasting Father," "The Prince of Peace."*

You and I are bearers of light because we have received Christ as Lord and Savior. His light is His life that has conquered the darkness of sin and death.

In Christ our sin is removed and replaced by the light of His love. So we share His light by sharing His love. As you share Christ's love through acts of kindness remember to give credit to Jesus.

For Advent I will deliver a sermon series entitled, "Experience the Miracle of Christmas." Video clips from the classic movie "Miracle on 34<sup>th</sup> Street" will be used to illustrate the miracle of Jesus in the moment, message, method, and manger of Christ.

Christmas Eve worship will be at 6 o'clock p.m. and 8 o'clock p.m. The early service is family-focused worship with youth presenting a Christmas play entitled "A Christmas to Believe In." The later service is a traditional service with a message, carols, and Dr. John Rimmel playing organ.

*May the Joy of Christ,  
the Light of the World, be yours,  
Pastor Bill*

## BURGSTAHLER FAMILY MINISTRY

The Burgstahler family relocated to Cape Town, South Africa in late 2014. They have been mentored by a South African pastor and his family since 1988. Although they first had their sights on Durban and the Zulu people in the eastern part of the country, they sensed God leading them to settle in the Cape Town area on the southwest coast. There, they have been learning the Afrikaans language, and becoming more familiar with the unique cultures found especially in the Western Cape Province.

South Africa has been marked for hundreds of years by systematic oppression of “non-white” people-groups. The skin-color-based Apartheid, or “apartness” government system was brought to an end only in 1994. While some think it is high-time to “get over” the past, it is unfortunately clearly evident that the structures and mindsets of racial and cultural divisiveness, and the consequent damage, still *dramatically* influence daily life and relationships today. The long 20+ years prove to be very short with respect to progress in this arena.

The Burgstahlers are positioned where they are of the minority both racially and culturally. Here, they find abundant opportunities to reach past these boundaries which still divide people, to invest themselves in intentional discipleship of followers of Jesus Christ, and to practice being “instruments of peace” to help facilitate “racial reconciliation” through Christ.
